

Inspired by

↙
Chengdu. Tai Koo Li's design concept:
Interpreting tradition with modernity

Renew traditional teahouse
(attracting more younger generation)

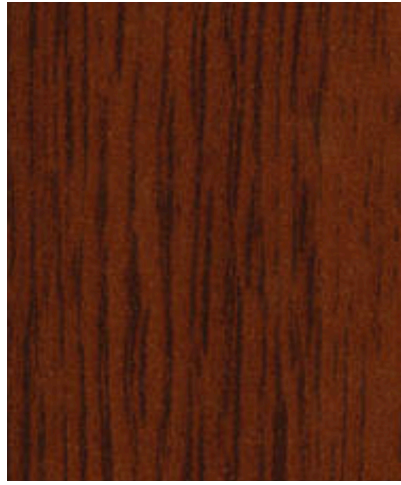

Atmosphere of teahouse.
relaxed, comfortable

Use of Colors

Chinese culture :: wooden materials

All day teahouse { day
night

The atmosphere is transformed by lighting from morning tea in the daytime to cocktail bar in the evening.

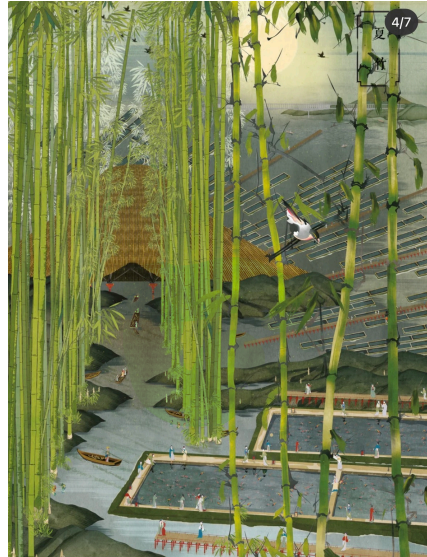

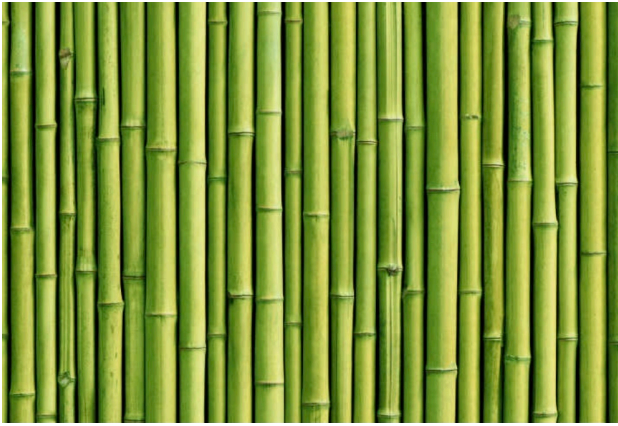

warm white as main color in the daytime

blue and red in the evening

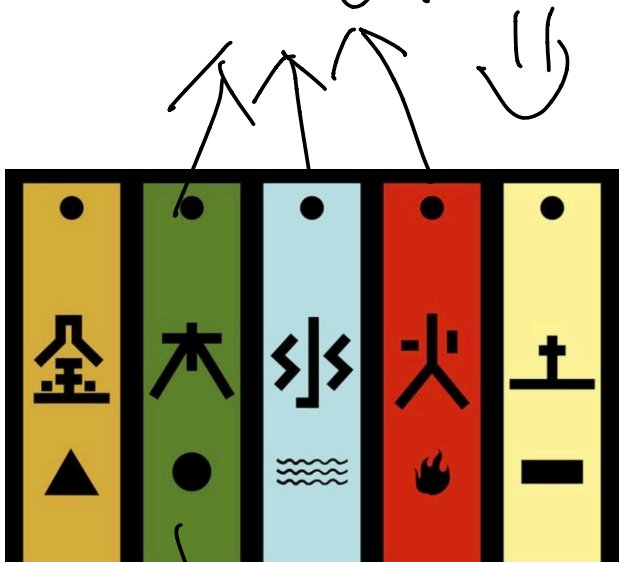

Quiet element:

Green, blue and other colors in nature
can show the most quiet atmosphere.

Chinese traditional
color

Use of five elements
element of wood

represents
peace and nature
